**Projects**

Fall Festival – \$1999.85 raised by B.E.S.T. The generators worked well. We need to ask what the power requirements are for vendors that require electric. Need more picnic tables. Need volunteers to help setup/during/teardown (possibly ask Fraternities and Sororities?). We may need to stagger vendor setup times to reduce congestion. We should look at replacing the Pie Baking Contest with another activity for 2013 like a Chili Cookoff. The additional signage worked well, but we still need more of it.

Community Kitchen – Add this to the agenda.

Small Town Christmas – Purchase solar LED string lights for the trees in downtown. Try out 2 sets first. Write letter of request to BIA for reimbursement. Lots of additional discussion occurred including Santa's Mailbox, pictures with Santa, setup times, logistics. Weekly meetings will take place to organize the event.

Community Fundraising Team – Request by Annie Metarko-Brooks to setup a community fundraising team to raise funds for assorted community project. The team will be comprised primarily of Annie, Jenn Williams, and Jami McCurdy.
